Due to our steadily expanding workload we offer the opportunity to join a busy, friendly, multi-disciplinary, small to medium sized practice based in York.

Duties would include assisting on a variety of interesting projects in the government, commercial, industrial and residential sectors. Your role and range of responsibilities will be dependent on your willingness to realise your potential.

Our client list includes The Home Office, The Ministry of Defence, National Health Service Trusts, Local Authorities, Schools, Colleges, Universities, Stately Homes, Brewery Property Management Companies and Major Property Developers.

We are keen to recruit a recently qualified Chartered Building Surveyor with enthusiasm, self-motivation and sound technical knowledge. Good CAD skills would be an advantage.

We can offer an interesting and rewarding challenge with the opportunity to develop your skills, experience and career. We offer an attractive remuneration package and pleasant working environment.

W R DUNN & CO LTD. are an Equal Opportunities Employer.

Please send your CV to Paul Kilner, Building Surveying Director
